WARRANTY SUPPLEMENT

Limited Lifetime Gutter Warranty on Workmanship & Materials

(Non-Transferable)

At Waterhouse Outdoor Services, we believe craftsmanship speaks louder than claims. That's why we proudly stand behind every install - and every inch of material we use.

What's Covered:

- Workmanship: We fully warranty the work performed by our trained installers for the lifetime of your gutters.
- Materials: All materials used in the installation are covered under this limited lifetime warranty.
- Leaks at Seams: If any seams sealed with our premium silicone caulking develop noticeable leaks after rain or ice melt, we will schedule a service visit to reseal and resolve the issue - no questions asked.

What's Not Covered:

- Damage from acts of nature including fire, wind, ice, storms, hail, and falling trees, or damage caused by homeowner negligence.
- Overflow or water intrusion resulting from clogged gutters or downspouts due to leaves and debris.
- Cleaning or ice dam removal related to neglected maintenance is not covered. Routine upkeep is essential for optimal gutter performance.

Limited Lifetime No-Clog Warranty on Gutter Protection Systems

We offer peace of mind with every gutter guard we install. If your system clogs - we clear it.

What's Covered:

- All leaf protection systems installed by Waterhouse Outdoor Services are backed by our No-Clog Guarantee.
- We include debris removal from inside the gutters if clogging occurs.
- Covered systems include:
 - K-Screen Gutter Guard
 - Bulldog Gutter Guard
 - Leaf Blaster Pro

Conditions & Exclusions:

- This warranty may not apply if gutter protection is installed on existing gutters we did not install. In such cases, we strongly recommend full replacement and a fresh install to ensure system integrity - eligibility can be evaluated during your quote.
